KINGS LANDING

Historical Settlement

The majestic St. John River Valley is home to a bustling living-history village—Kings Landing Historical Settlement. Visitors are immersed in the sights, sounds, colours, and personalities which heralded the transformation of a young colony into a vibrant nation. Discover the stories of American Loyalists who flocked to these shores after the revolution ended, and who were soon joined by Irish, Scottish and other settlers. The bustle of farm life, the fresh kitchen aromas, the distant melodies from lively fiddlers and dancing townsfolk combine to create the Kings Landing Experience—not to be missed.

**An epic story that's more than just history,
it's history, well told.**
